NO BIKE BANS!

We the undersigned believe that putting more bicycles on the road advances the goals of the Texas Department of Transportation to:

1. Reduce congestion 2. Enhance safety 3. Expand economic opportunity
4. Improve air quality 5. Preserve the value of transportation assets.

We support all efforts to encourage ***lawful and courteous bicycling*** in Texas.

We oppose all efforts by any government entity in Texas to pass ***laws or ordinances that selectively prohibit or constrain operation of a bicycle*** on Texas roadways.
