Texas Bicycle Coalition

## Business Membership Application

Texas Bicycle Coalition / BikeTexas Business Members strengthen the bicycle industry in Texas. Since 1991, we have fought to ensure that cyclists retain their right to ride Texas roadways and trails. Our work protects your investment, and through our Education Fund, we continue to build your customer base by introducing thousands of children every year to the principles of safe cycling. By working with legislators, government agencies, schools, bicycle clubs and advocacy groups, Texas Bicycle Coalition is actively involved in developing and stewarding the future of bicycling in Texas and encouraging bicycle use as a healthy and mainstream lifestyle and transportation choice.
