Subject: TxDOT VTR Special Plates Meeting - March 5, 2008

You are invited to a follow-up fact-finding meeting with TxDOT and our partner specialty license plate organizations.

Wednesday, March 5, 2008

2:00 p.m. to 3:00 p.m.

Texas Department of Transportation
Lonestar Room, Building 1
4000 Jackson Avenue
Austin, TX 78731

We appreciate that in the weeks following our introductory Specialty Plate Organizations/MyPlates/TxDOT meetings you may have had more time to think about the program. We want to hear your questions and concerns, in an open forum, without vendor representatives.

Some questions we have for you:

- What benefits can you see for having a single Web site for all specialty plates?
- What benefits can you see with having an increase in marketing expenditures to raise awareness of specialty license plates?
- What concerns do you have about the new specialty license plate program?
- What actions might mitigate your concerns?

Please feel free to share your questions and concerns via e-mail if you are unable to attend this meeting. Attached are the vendor presentation and a summary of the questions and answers from our January meetings, for your information. Please contact Christina Flores at (512) 465-7927 or cflore2@dot.state.tx.us for directions or more information.

We appreciate the time that you would take to share your thoughts with us.
