Compiled by BikeTexas from Crash Reporting Information System (CRIS) data retrieval reports by TxDOT staff.

Some crash victims in other Vulnerable Road User categories may be reported under "Pedestrian."

Work Zone Crash category does not differentiate worker and road user.

Non-incapacitating injury data retrieved by TxDOT but not included in this BikeTexas report.

TxDOT Disclaimer: The crash data contained in this report is preliminary and incomplete. It has not been finalized or certified. Only reportable motor vehicle traffic crashes were queried for this request.
